 - (c) To prevent any activity on or use of the Property that is inconsistent with the purpose of this Easement and to require the restoration of such areas or features of the Property that may be damaged by any inconsistent activity or use, pursuant to *General Provision—Grantee's Remedies*.

The forms in this Appendix are samples only, and should not be used for application purposes. Forms are subject to revision by the Jefferson County Farmland Protection Board without prior notice.

3. Grantee Notification/Approval. The Grantors reserve for themselves the right to engage in any and all activities not expressly prohibited herein and not inconsistent with the purpose of this Easement without seeking the approval of the Grantee.

4. Grantee's Remedies.

(a) **Notice of Violation; Corrective Action.** If Grantee determines that Grantors are in violation of the terms of this Easement or that a violation is threatened, Grantee shall give written notice to Grantors of such violation and demand corrective action sufficient to cure the violation and, where the violation involves injury to the Property resulting from any use or activity inconsistent with the purpose of this Easement, to restore the portion of the Property so injured to its prior condition in accordance with a plan approved by Grantee

(b) **Injunctive Relief.** The Grantee, its successors or assigns, jointly or severally shall have the right to enforce these restrictions by injunction and other appropriate proceedings, including, but not limited to, the right to require the Grantors to restore the Property to the condition existing at the time of this Easement in order to correct any violation(s) of this Easement. Grantee's rights under this paragraph apply equally in the event of either actual or threatened violations of the terms of this Easement, and Grantors agree that Grantee shall be entitled to the injunctive relief in addition to such other relief to which Grantee may be entitled, including specific performance of the terms of this Easement, without the necessity of proving either actual damages or the inadequacy of otherwise available legal remedies.

(c) **Costs of Enforcement.** Any costs incurred by Grantee in enforcing the terms of this Easement against Grantors, including without limitation costs of suit and attorneys' fees, and any costs or restoration necessitated by Grantors' violation of the terms of this Easement shall be borne by Grantors. If Grantors prevail in any action to enforce the terms of this Easement, Grantors' costs of suit, including, without limitation, attorneys' fees, shall be borne by Grantee. Any costs incurred by Grantee in enforcing the terms of this Easement against any third party shall be borne by Grantee.

(d) **Forbearance.** Forbearance by Grantee to exercise its rights under this Easement in the event of any breach of any term of this Easement by Grantors shall not be deemed or construed to be a waiver by Grantee of such term or of any subsequent breach of the same or any other term of this Easement or of any of Grantee's rights under this Easement. No delay or omission by Grantee in the exercise of any right or remedy upon any breach by Grantors shall impair such right or remedy or be construed as a waiver.

5. Grantee and Co-holder's Rights and Obligations. The Grantee shall have the primary responsibility for stewardship and monitoring of this Easement, determining if a violation has occurred, and for approving any amendments to the Deed of Conservation Easement. These duties may be fulfilled directly by the Grantee or its agent, or the Grantee may arrange to have the Co-holder fulfill these duties. Grantee will share with the Co-holder

monitoring and stewardship information, including but not limited to written notices to Grantee and monitoring reports, in the event that the Co-holder is not acting to complete these duties through an arrangement with the Grantee.

The Grantee is responsible for any costs incurred in enforcing the terms of the Easement, including any attorney's fees and any costs of a suit. The Grantee and Co-holder shall make every good faith effort to determine a unified course of action should a potential or actual violation of the Easement arise.

The Co-holder shall have the right to enforce the terms of the easement if the Grantee becomes unable or refuses to enforce the Easement, or if the Co-holder in its sole discretion finds that Grantee's enforcement action or consent fails to protect the conservation purposes of this Easement. In such case where the Co-holder individually enforces the terms of the Easement without the agreement or consent of the Grantee, then the Co-holder shall be individually responsible for its own costs.

- 6. Acts Beyond the Grantor's Control.** Nothing contained in this Easement shall be construed to entitle Grantee or the Co-holder to bring any action against Grantors for any injury to or change in the Property resulting from causes beyond Grantors' control including, without limitation, fire, flood, storm, and earth movement, or from any prudent action taken by Grantors under emergency conditions to prevent, abate, or mitigate significant injury to the Property resulting from such causes. In the event the terms of this Easement are violated by acts of trespassers that Grantors could not reasonably have anticipated or prevented, Grantors agree that Grantee has the right to pursue enforcement action against the responsible parties.
- 7. Costs, Legal Requirements and Liabilities.** Grantors, their heirs, successors and assigns retain all responsibilities and shall bear all costs and liabilities of any kind related to the ownership, operation, upkeep, and maintenance of the Property.
- 8. Control.** Nothing in this Easement shall be construed as giving rise to any right or ability of Grantee or Co-holder to exercise physical or managerial control over the day-to-day operations of the Property, or any responsibility to the Property within the meaning of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 as amended (42 U.S.C. §§ 9602 et seq.) and the Hazardous Sites Cleanup Act (35 P.S. §§ 6020.101 et seq.).
- 9. Taxes.** Grantors shall pay before delinquency all taxes, assessments, fees and charges of whatever description levied on or assessed against the Property or residences contained thereon by competent authority, including any taxes imposed upon, or incurred as a result of, this Easement.
- 10. Hold Harmless.** Grantors shall hold harmless, indemnify, and defend Grantee and Co-holder and its members, directors, officers, employees, agents, and contractors (collectively "Indemnified Parties") from and against all liabilities, penalties, costs, losses, damages, expenses, causes of action, claims, demands, or judgments, including, without limitation, reasonable attorneys' fees, arising from or in any way connected with

- (a) injury to or the death of any person, or physical damage to any property, resulting from any act, omission, condition, or other matter related to or occurring on or about the Property, regardless of cause, to the negligence of any of the Indemnified Parties and only that negligent party shall be deprived of this protection;
- (b) the result of a violation or alleged violation of, the enforcement of an/or any contribution action relating to any state or Federal environmental statute or regulation including, but not limited to, the Hazardous Sites Cleanup Act (35 P.S. §§ 6020.101 et seq.) and statutes or regulation concerning the storage or disposal of hazardous or toxic chemicals or materials;
- (c) the presence or release in, on, from, or about the Property, at any time, of any substance now or hereafter defined, listed, or otherwise classified pursuant to any Federal, state, or local law, regulation or requirement as hazardous, toxic, polluting or otherwise contaminating to the air, water or soil, or in any way harmful or threatening to human health or the environment, unless caused solely by any of the Indemnified Parties and only that negligent party shall be deprived of this protection;

11. Extinguishment. If circumstances arise in the future that render the purpose of this Easement impossible to accomplish, this Easement can only be terminated or extinguished, whether in whole or in part, by judicial proceedings in a court of competent jurisdiction. The amount of the proceeds to which the Grantor, Grantee, and Co-holder shall be entitled, after the satisfaction of prior claims, from any sale, exchange, or involuntary conversion of all or any portion of the Property subsequent to such termination or extinguishment, shall be determined in accordance with the formulas below.

This Easement constitutes a real property interest immediately vested in Grantee and the Co-holder, which, for the purpose of extinguishment, the parties stipulate to have a fair market value determined as the difference in the Property's fair market value on a before and after easement basis. An appraisal made on the Before and After Method is to be obtained from a qualified appraiser, as defined under Section 155 of the Tax Reform Act of 1984. The Grantor, Co-holder and Grantee shall select a single appraiser. If the parties are unable to agree on the selection of a single appraiser, then each party shall name one appraiser and the three appraisers thus selected shall select a fourth appraiser.

(A) The value to paid to the Grantee:

- Reimbursements for the value of payments previously made to purchase the Easement, or amounts previously expended in order to complete the Easement acquisition process.

(B) The value to be paid to the Grantor is to be based upon the following formula:

- [Fair market value of the Property as encumbered by the Easement divided by Fair market value of the Property unencumbered by the Easement] **multiplied by**

- Net of the sale price of the Property **Minus** payments to the Grantee under (A) above.

(C) The value to be **paid to the Co-holder** is to be based upon the following formula:

- [Fair market value of the Property unencumbered by the Easement minus Fair market value of the Property as encumbered by the Easement] **divided by** [Fair market value of the Property unencumbered by the Easement] **multiplied by**
- Net of the sale price of the Property **Minus** payments to the Grantee under (A) above.

In making this Easement, Grantors have considered the possibility that uses prohibited by the terms of this Easement may become more economically valuable than permitted uses, and that neighboring properties may in the future be put entirely to such prohibited uses. Grantors believe that any such changes in the use of neighboring properties will increase the benefit to the public of continuation of this Easement, and Grantors and Grantee intend that any such changes shall not be deemed to be circumstances justifying the termination or extinguishment of this Easement.

12. Condemnation. If the Easement is taken, in whole or in part, by exercise of the power of eminent domain, Grantors shall be entitled to compensation at not less than the fair market value of the Property determined without regard to the existence of the Easement. The Grantee and the Co-holder shall be entitled to no compensation under the exercise of eminent domain.

13. Assignment. This Easement is not transferable by the Grantee to any other local, county or state department, board, agency, commission or successor. In the event that the Jefferson County Farmland Protection Board ceases to operate or exist, the rights of the Grantee under this Easement shall be transferred to the Co-holder. If there is no Co-holder, or the Co-holder has ceased to exist, the rights of the Grantee under this Easement shall be transferred to an organization that is qualified under Section 170(h) of the Internal Revenue Code of 1954, as amended, and is a West Virginia-domiciled organization authorized to acquire and hold conservation easements under the West Virginia Conservation and Preservation Easements Act, (WV Code 20-12-1, et seq., 1995).

Any Co-holder to the Easement may assign its rights and obligations under the Easement only with the written approval of both the Grantee and the Grantor.

The Grantee and Co-holder further covenant and agree that the terms of the transfer or assignment will be such that the transferee or assignee will be required to continue to carry out in perpetuity the conservation purposes which the Easement was originally intended to advance. The transfer of the easement to a new or successor transferee or assignee will not create a financial obligation of any kind on the Grantors.

14. Subsequent Transfers. Grantors agree to incorporate the terms of this Easement in any deed or other legal instrument by which they divest themselves of any interest in all or a portion of the Property, including, without limitation, a leasehold interest.

The forms in this Appendix are samples only, and should not be used for application purposes. Forms are subject to revision by the Jefferson County Farmland Protection Board without prior notice.

15. Estoppel Certificates. Upon request by Grantors, Grantee shall within thirty (30) days execute and deliver to Grantors any document, including an estoppel certificate, which certifies Grantors' compliance with any obligation of Grantors contained in this Easement and otherwise evidences the status of this Easement as may be requested by Grantors.

16. Notices. Any notice, demand, request, consent, approval, or communication that either party desires or is required to give to the other shall be in writing and either served personally or sent by certified mail, return receipt, addressed as follows:

To Grantors _____

To Grantee Jefferson County Farmland Protection Board
 P. O. Box 731
 Charles Town, WV 25414-0731

To Co-holder _____

or to such other address as either party from time to time shall designate by written notice to the other.

17. Recordation. Grantee shall record this instrument in timely fashion in the official records of Jefferson County, West Virginia and may re-record it at any time as may be required to preserve its rights in this Easement.

18. Amendment. If compelling circumstances arise under which an amendment to or modification of this Easement would be appropriate, Grantors and Grantee are free to jointly amend this Easement; provided that no amendment shall be allowed that will invalidate this Easement or be inconsistent with the purpose of this Easement, and shall not affect its perpetual duration. Any such amendment shall be recorded in the official records of Jefferson County, West Virginia.

19. Other Provisions.

- (a) **Controlling Law.** The interpretation and performance of this Easement shall be governed by the laws of the State of West Virginia.
- (b) **Severability.** If any provision of this Easement, or the application thereof to any person or circumstance, is found to be invalid, the remainder of the provisions of this Easement, or the application of such provision to persons or circumstances other than those as to which it is found to be invalid, as the case may be, shall not be affected thereby.

FARMLAND PROTECTION — APPENDIX
